ACTIVE INDIANA LICENSE: Applicants must have an **active** Indiana veterinary license before they can obtain an Indiana CSR. Veterinarians must hold one CSR in order to prescribe, administer & dispense controlled substances in the State of Indiana. An additional, separate registration is required for each practice address at which a veterinarian practitioner physically possesses controlled substances to administer or dispense. A separate registration is **NOT** required for each place where a veterinarian merely prescribes controlled substances. One valid CSR is sufficient for a veterinarian to prescribe controlled substances throughout the State.

INDIANA PRACTICE LOCATION: Applicants **MUST** use an Indiana practice address when applying for a CSR. The CSR can only be mailed to the address submitted on the application. A CSR will only be issued to a street address; post office boxes will not be acceptable unless accompanied by a street address. An application with an incomplete or out of state address will be returned. Veterinarians must notify the Indiana Professional Licensing Agency in writing of any change of address.

WHAT SCHEDULES TO REQUEST: Veterinarians usually apply for authorization for Schedules II through V, as Schedule I controlled substances have no accepted medical use and are generally restricted to researchers only.

NOTICE: In compliance with IC 4-1-6, the Indiana Professional Licensing Agency notifies all applicants that they must provide the requested information. **Without it, the application will not be processed.** Applicants have the right to challenge, correct or explain information maintained by the Indiana Professional Licensing Agency. All information provided by applicants becomes public record.

Additional Information Pertaining to CSR's:

Drug Enforcement Administration: Veterinarians may apply for the Drug Enforcement Administration (DEA) registration at the same time as the State CSR; please indicate "pending" where the DEA requests the State license number. The Indiana Professional Licensing Agency verifies CSR numbers to the DEA once they are issued. **The Agency does not have DEA forms.** For information regarding the DEA registration please contact the DEA Indianapolis Field Office at 575 North Pennsylvania Street, Indianapolis, IN 46204 or by telephone at (317) 226-7977.

Renewal Information: Each registrant will receive renewal information for their CSR at the same time that he or she renews his or her veterinarian license with the Indiana Professional Licensing Agency. It is the responsibility of the registrant to renew the CSR. Renewal information for CSR's is mailed 60 days prior to the expiration of the permit. You may renew your CSR online at the Agency's website at www.pla.IN.gov or you may request a renewal application be forwarded to you by calling our office at (317) 234-2054 or by email at pla8@pla.IN.gov.

Address Change: You are required to notify the Indiana Professional Licensing Agency of any address changes. Controlled substances registrations are issued for a particular purpose at a specified location. Any change of address for practitioners must be reported to the Indiana Professional Licensing Agency and to the appropriate professional licensing board. Your written notice must include your name, license number, profession, social security number, date of birth, and both your old and new addresses. Please send the information to: Indiana Professional Licensing Agency, Attn: Indiana Board of Veterinary Medical Examiners, 402 West Washington Street, Room W072, Indianapolis, Indiana 46204, or fax the changes to 317-233-4236. Be sure to include your license number.

Name Change: You may have the name changed on your licensure records by submitting a copy of an official name change document such as a marriage certificate or a divorce decree or your social security card. Please send the information to: Indiana Professional Licensing Agency, Attn: Indiana Board of Veterinary Medical Examiners, 402 West Washington Street, Room W072, Indianapolis, Indiana 46204, or fax the changes to 317-233-4236. Your letter should include your name as it is listed now, your new name, your license number, profession, social security number, and date of birth. If you want us to send you a new pocket card, please indicate in the letter that a new card is needed due to the name change.

Once your application file is complete, it will be reviewed by the licensing Board for approval. Note that if you have given a positive response to any of the questions pertaining to past disciplinary or legal action, you must supply a notarized statement with your application as requested. If you answer positive to any of the questions the application must be reviewed by the Controlled Substances Advisory Committee before a permit can be issued. Because of the frequency of the Committee's meetings, please allow 5-7 weeks for processing of your application. The Committee meets every other month, so please plan accordingly to allow sufficient time for processing.
